

'Cold' LinkedIn Request for Informational Interview

Ms. Chandler:

I am an aspiring HR professional interested in recruiting, onboarding and creating optimal processes for companies and employees. Based on the research I have done about Resource Management, Inc, I am drawn to your company's commitment and unique ability to help your small- to mid-sized business clients thrive and achieve their missions.

Would you, or another appropriate person in your department, have a few minutes for me to discuss how I could successfully prepare to be a top employee for a company like yours?

Best Regards,

Mark Metcalf
