Admission to the Huntsman School of Business

Non-Freshmen and Transfer Admission (24 or more credits)

USU students and transfer students from other accredited colleges or universities may be admitted directly to any School of Business major if they have met the following:

1. Admitted to Utah State University
2. Designated a School of Business major on university application or submitted a School of Business application to the School of Business Career & Education Opportunities Center.
3. 24 or more post-high school earned college credits with 3.5 GPA or higher.

Students Not Admitted to the School of Business

Students not meeting the above conditions are not admitted directly to the School of Business. They must apply through the School of Business CEO Center, Business 309, after they have completed 24 credits to include ECON 1500, MATH 1100, STAT 2300, and PSY 1010 or SOC 1010 with a C grade or higher in each course, a cumulative GPA of a 2.67 or higher, and successful completion of the Computer and Information Literacy (CIL) exams and the Business Grammar pre-test or equivalent. See advisors for additional information about these requirements and accepted equivalencies. Applications for admission with an essay are available in the School of Business CEO Center. Applicants are ranked according to GPA calculated below and admitted based on space available.

1/3 weight on four required courses

1/3 weight on last 24 credits earned

1/3 weight on overall GPA

For this evaluation and ranking, grades for courses which have been repeated will be discounted one step each time repeated for the School of Business admission grade point calculation (A- to B+) Students may not repeat a course more than twice, and no more than 10 repeats in total to earn a degree. (School of Business courses are limited to one repeat.)

Acceptance as an Accounting Major

Students not meeting the college non-freshman and transfer student requirements may apply for acceptance as an accounting major after being admitted in the School of Business, achieving at least a 3.0 cumulative GPA, and completing Accounting 2010 with a B grade or higher. Accounting major application forms may be obtained and submitted at the School of Business CEO Center, Business 309.

Course Restrictions

Many School of Business courses have prerequisites and other restrictions requiring adherence. School of Business courses may be repeated only once. College course restrictions are as follows:

1000-level courses	No restrictions
2000-level courses	Satisfy all course prerequisites including a 2.5 GPA.
3000- to 5000-level courses	Admission to the School of Business or another USU major, satisfy all course prerequisites including 2.67 GPA (ACCT 3110 and 3310 require a 3.0 GPA.)

Matriculation Requirement

Not more than 15 USU School of Business credits (ACCT, BA, MIS MHR), numbered 2000 and above, earned as a non-business major (before acceptance in the School of Business) can be applied to a School of Business degree. More than 15 business credits can be transferred from other accredited institutions. However, additional USU credits added to previously earned transfer credits may not exceed 15.

Implementation

Students will be admitted to the School of Business each semester. Applications must be received by December 1 for Spring Semester, April 1 for Summer Semester, and July 1 for Fall Semester. Applicants who have completed all requirements may apply at any time. If their achievement clearly qualifies for admission, they may receive early admission notification from the selection committee. Other applicants will be notified as soon as possible after grades are posted and the ranking can be made for the current semester.

50% of the business credit hours must be earned at the degree awarding institution.

All students entering USU who desire to pursue a degree from the School of Business must have earned at least 50% of the required business credit at Utah State University. The exact number of business credits required to meet this regulation varies with each major. Please contact your School of Business advisor or the School of Business CEO Center (B 309) for clarification.
