

Regional Campus Transfer Guide to Main Campus

College of Business Majors

The following are suggested courses of study for Distance Education/Regional Campus (DE) students wanting to complete a departmental degree offered on the Utah State University Logan Campus. Each plan assumes that DE students have completed all Business Core and University Studies courses through their DE sites. Prior to enrolling in courses on the Logan campus, students must first complete a change of campus application found at www.usu.edu/admissions/includes/forms/ChangeofCampusApplication.pdf and be accepted into their chosen departmental major. Please contact the CEO center at (435) 797-2272 or deceo@usu.edu for information on departmental acceptance. Students in each major should consult with their departmental advisor as soon as possible to develop an individualized plan of study. In addition to the courses listed below, all students must satisfy Utah State University and College of Business graduation requirements.

Accounting Major

Advisor: Joslyn Heiniger, Joslyn.heiniger@usu.edu

In addition to the College of Business admission requirements, Accounting students must have a 3.0 career GPA and a B or better in Acct 2010. This plan assumes that students have taken BUS 3010, 3020, 3310 and 3410 through their DE sites. The School of Accountancy requires that 12 credits of upper division Accounting courses be taken in residence at the Logan campus.
