Note: All courses in the major must have minimum grade of a C. A minimum GPA of 2.5 in the major is required for graduation.

While an emphasis is not required for the Econ degree, students have the option to pursue one of four emphases.

Economic Theory Emphasis (PhD prep)  
Managerial Economics Emphasis  
International Econ. & Trade Emphasis  
Prelaw Emphasis

**Check Catalog for semester availability for all courses***

1Economics is a popular dual major, particularly in the Jon M Huntsman School of Business. For example, finance majors often choose economics as a second major due to complementarities in subject matter and degree requirements.

2The prelaw emphasis is a potential dual major for students in political science or other programs outside of the Jon M Huntsman School of Business.
