Federal University of Campina Grande, Brazil
Sponsored by Hewlett-Packard

B.Sc. Computer Science, 2008
Federal University of Campina Grande, Brazil
PUBLICATIONS AND PAPERS UNDER REVIEW

Journal Publications

Journal Paper Under Review

Queiroz, M; Colman, T; Tallon, P; Sharma, R; Reynolds, P. “Substitutes or Complements? The Effects of Corporate and Business Unit IT Alignment on Business Unit Performance”.
  • 2nd round review at Journal of the Association for Information Systems.

Journal Paper Under Editorial Consideration for Resubmission

Queiroz, M; Sharma, R; Colman, T; Tallon, P. “The Conditional Effects of IT Infrastructure Sharing and Data Sharing on Agility”.
  • Under consideration for resubmission at MIS Quarterly. An earlier version of this paper was discontinued for further consideration after a 1-round of reviews. A revision plan was developed in consultation with the Senior Editor and, following his recommendations, additional data has been collected and analyzed. A new submission is planned for 2018.

Conference Papers

Queiroz, M; Tallon, P; Colman, T; Sharma, R (2018). “Corporate Knows Best (Maybe): The Impact of Global versus Local IT Capabilities on Business Unit Agility”. Hawaii International Conference on System Sciences (HICCS), Waikoloa.
