

Utah State University Student Chapter Receives Merit Award from SHRM

08/05/2020

Logan, UT August 4, 2020 —SHRM (the Society for Human Resource Management) awarded a 2019-2020 Superior Merit Award designation to the Utah State University SHRM student chapter for providing superior growth and development opportunities to its student members.

The SHRM student chapter merit award program encourages the development of more effective student chapters and distinguishes outstanding activities and projects. Chapters are recognized based on chapter operations, chapter programming and professional development of members, support of the human resource profession, and SHRM engagement.

“Today’s members of our student chapters are the HR leaders of tomorrow. They are the movers and shakers of the future, and we cannot understate the vital role they play in SHRM’s success,” said Johnny C. Taylor, Jr., SHRM-SCP, SHRM president and CEO. “The USU SHRM is evidence that the future of HR is, indeed, in good hands. I applaud their accomplishments and ability to fiercely move forward during a time of such change and uncertainty in the workplace.”

SHRM student chapters have the opportunity to earn an award based on the number of activities they complete during the merit award cycle, the most recent one of which lasted from April 1, 2019, to March 31, 2020.
