

Three Huntsman School DAIS professors provide insight into Artificial Intelligence

08/24/2023

Andy Brim, Pedram Jahangiry, and Sharad Jones from the Huntsman School of Business Data Analytics and Information Systems department joined a discussion about Artificial Intelligence in the Salt Lake Tribune.

How AI is transforming higher education

Andrew Brim

Professional Practice Assistant Professor, Project Mentor for the Analytics Solutions Center

How AI will shape your child's future — and yours

Pedram Jahangiry

Professional Practice Assistant Professor, Project Mentor for the Analytics Solutions Center

AI should reflect our collective wisdom, not our individual biases

Sharad Jones

Professional Practice Assistant Professor, Project Mentor for the Analytics Solutions Center
