

Class of 2019 Commencement

09/23/2019

On May 3, 2019, 917 undergraduates and 272 master's students were recognized for earning their degree from the Huntsman School of Business. Graduates came from as near as a few blocks away in Logan to faraway places in China and the Middle East. Graduates heard from Dean Douglas Anderson and Valedictorian Jacob Wilcox, who earned a perfect 4.0 GPA in Economics & Finance. Aggie Ice Cream was served after the ceremony, and proved to be a popular treat on a warm May day.
