why we give ★
“Frankly, it is selfish--giving makes us feel good. Helping provide an education for someone is a wonderful feeling. Promoting quality, secular education is the single most powerful way to make this world a better place.”

why I give ★

“I give because of everything that Utah State gave to me! You can’t put a price on the opportunities, friendships, and memories available at the Huntsman School; but I know I couldn’t have afforded them without those who gave before me. Now I am glad to have the chance to give back and contribute to the education of today’s Aggies. I appreciate that someone invested in me, and I am excited to invest in the future!”

Amber Shaffer (BA Human Resource Management, ’13)

why we give ★

“All three of our children received scholarships funded by donors. We give to the scholarship fund so others can be helped the same way our children were.”

Randy (BS Political Science, ’75) & Janet (BS Elementary Education, ’72) Simmons

why I give ★

“I absolutely LOVED my experience at the Huntsman School. I traveled the world, met some of my best friends, and had experiences that defined my life. These opportunities came as a result of someone else’s generosity, and now it’s my turn to give back and pay it forward.”

Brent Meacham (BS Marketing, BS Economics, ’12)
