why we give ★

Chanin and I have reflected on how important our scholarships and student loans were in paying for our education and the tremendous value we received from our learning experiences while attending USU. We are grateful to be able to give back, in a small way, to provide others with a similar opportunity.

why we give ★

We give to provide opportunities to deserving students at Utah State. Over the years we have received gifts from generous benefactors and now feel it is our responsibility to provide some of the same opportunities to others.
