

Institute of Management Accountant Scholarships

05/14/2019

Jessica Peters and Sam Adams both received \$2,500 IMA scholarships for the 2019-20 academic year. Jessica recently served as the newsletter specialist for our IMA student chapter and Sam served as a vice president this past year and will serve as the president for the 2018-19 academic year. The national IMA organization annually awards twelve scholarships. This is the fifth consecutive year that our student chapter has received two scholarships. Jessica and Sam will be recognized for their achievement at the student leadership conference this November in Charlotte. Congratulations!
